Polk Training Center's program provides citizens with developmental disabilities the opportunity for community inclusion, skills development, basic adult education, and vocational training. The day program offers individuals the opportunity to improve upon the skills they already have or acquire additional skills needed to assist them in being active in our community. Polk Training Center's mission is to provide employment and continual learning opportunities for adults with disabilities in a public arena; providing appropriate instruction and accommodations to facilitate success in individual independence and community-wide service.
